Wilkinson Sword/John Keedwell Trophy ENTRY FORM 2025

The Wilkinson Sword Award is presented annually to the WW2 British, Canadian or American built vehicle that has travelled the greatest mileage under its own power to shows/rallies in the UK for each 12-month period ending on 30th September. **The John Keedwell Post-War Trophy** is presented annually to the post 1945 ex-military vehicle that has travelled the greatest mileage under its own power to shows/rallies in the UK for each 12-month period ending on 30th September.
Mileage for both trophies is adjusted according to a formula to factor in the vehicle's weight.
Mileage x vehicle's gross laden weight in imperial tons, rounded to the nearest ton
Eg Chieftain Tank 10 show miles X 55 tons = 550 miles

The form should be completed, verified by two independent MVT members and submitted to Brian Slingsby awards@mvt.org.uk by 15th October 2025, together with a photograph of the vehicle. The winning owner is not eligible for entry in the following year. Forms also available online www.mvt.org.uk/awards-and-trophies.html
