Context:

The Military Vehicle Trust is the World's largest organisation of ex-military vehicle owners and enthusiasts and is dedicated to "keeping our mechanical veterans alive". We have been a Registered Charity since 1987 and our Charitable Purposes are set down in a document called our "Memorandum of Association".

The Trust is established for the purpose of restoring and preserving military vehicles of historical interest and the preservation of books, drawings, records, documents, sound and visual recordings, films, photographs and other media and ephemera relating to such vehicles, their history and development, and promoting and encouraging the same aim in others.

Our Core Values are summarised in our three aims:

Conserve and Restore, Educate and Inspire and Honour and Respect
